

## Enhanced Accident Expense Insurance Plan

### 24 Hour—On the Job, Off the Job

#### Features & Benefits:

##### Accidental Injury Benefit—\$4,000 Per Occurrence

This benefit pays the actual charges for medical treatment due to accidental injury up to the amount shown. Covered expenses include:

- Physician's fees
- Surgery
- X-Rays
- Fracture Reduction & Dislocations or other emergency and first aid expenses.

ALL Covered expenses must be incurred within 21 days of the accident causing injury.

If the expenses are incurred at the Hospital ER, a \$50 Deductible will apply for each accidental injury.

##### Accidental Death Benefit—\$100,000

This benefit pays a fixed amount if an insured suffers a fatality as a result of an accident.

##### Ground or Air Ambulance —\$10,000

This benefit pays the actual charges for ground or air ambulance transportation due to an accidental injury, up to but not to exceed the amount shown above.

##### Hospital Income Benefit —\$300

If an insured is hospitalized for an accidental injury, we will pay a fixed benefit per day, beginning the first day of confinement subject to the number shown above, \$300/daily

Payment will be made up to 30 days.

**Dismemberment Benefits as disclosed in the policy**

## Accidents happen when you least expect them:

- At Home
- At Work
- While Playing
- While Traveling

**You can't plan on  
them but you can  
plan for them!**
